

## Three-sided tipping bucket, hydraulic

For attachment at the front or rear

- » Painted version, attachment block galvanized
- » With three-point hitch cat. II and Euronorm as standard
- » The particularly flat tray makes it especially easy to pick up bulk materials such as snow, wood chips, silage or feed
- » Tipping side can be adjusted via locking pins
- » All side panels open at the top and the bottom
- » Depth 1250 mm / height 600 mm
- » Especially rugged design
- » 1 x double-acting connection required
- » Includes hydraulic couplers and hoses
